Hi (NAME), this is (Your Name) from (Clinic Name). You filled out an *offer* on (Facebook, Website, etc) and I wanted to get some questions out of the way with you quick before your appointment. I'd love to chat with you at (PHONE NUMBER), but if you are more comfortable with text, we can do that as well!

Hi (NAME) this is (Your Name) from (Clinic Name). Hopefully I'm not bothering you, I just reached out a few times to get an appointment confirmed with you for your *offer* from (Facebook, Website, etc). Could we get that done over text today?
